MRS. SUNDERLAND

To the Seniors:

For years you have been looked after, cajoled, ordered, steered, pled with, and cared for in our schools. We have done the best that we can for you. Now we stand back and admire the finished product. We like to think it is "a thing of beauty" and "a joy forever." You have been given the necessary tools to make of your life what you will. Whether your house of life be a magnificent structure on the hill of fame or a humble cottage in the valley of mediocrity, build it well.

Having you here has been a pleasure. Saying good-bye to you will cause us pain. You can compensate by making your mark in the world. Our love and best wishes go with you.

CLASS HISTORY

September, 1951. Freshmen. Looking back into the past we saw our graduating class taking its place in the history of our school. We began by electing Carol Wyland, Jo Ann Tucci, Albert Dillen and Gary Murray as our representatives in the student government . . .

September, 1952. Sophomores. Now more familiar with our surroundings we began our second year in high school. This year we elected as representatives in our Student Council, Suzanne Strunk, John O'Brien and Albert Dillen . . .

September, 1953. Juniors. This is the year we organized our class for the first time. As President we elected John O'Brien; Vice President, John Fowler; Secretary, Carol Edmiston and Treasurer, Ray Rossi. Mr. Harold Wagner was our advisor. For our Student Council representatives we elected Suzanne Strunk who was Vice President; June Cherry, who was Secretary; Ray Rossi, and John O'Brien. November 25 and April 30 were two of the most memorable dates of our history. They were the dates of the day we received our class rings and the day we presented our most successful prom under the supervision of our advisor . . .

September, 1954. Seniors. Now we see ourselves for the last time as students of Bellwood-Antis High School. This being our most important year, we chose for our class officers Fred Maurer, president; Charles McClellan, vice president; Martha Riggs, secretary and Ray Rossi, treasurer. Ray Rossi was elected as president of the Student Council along with Carol Edmiston, Suzanne Strunk, Fred Maurer, Charles McClellan and John O'Brien. To help support our class we sold refreshments at the football and basketball games and presented our class play, "In Spring the Sap."

Towards the end of the year we took a very enjoyable trip to our nation's capital. We ended the year with Baccalaureate and Commencement . . .

June, 1955. Graduates. Now as we look into the future, we see each of our classmates traveling down his own path of life. We shall always remember the role we played in the history of our Alma Mater.

THE JUNIOR CLASS

Getting used to being "upper classmen" . . . proudly sporting their class rings . . . participating in activities that include the school paper, various clubs, sports, selling at J.V. games . . . But the climax of an interesting year was yet to come — the Prom. The decorations and music made it a night as memorable as could be possibly attained. It was a tribute to the advisor, Mr. Harold Wagner, who devoted much time and effort to the attainment for a well-rounded program for this junior class of 54 and 55.

SENIOR BAND

The band is one of the most active of the many extra curricular activities which we have in our school. It participates at half-time at all the football games, marches in numerous parades, gives many concerts, including the tri-school concert held each summer with the Roaring Spring and Williamsburg bands, and sends some of its members to County, District, and State Band festivals.

This year the band wore new uniforms. They were purchased with the help of the band mothers who held dances and many other social activities to raise the money.

The Mixed Chorus is an organization of ninety voices which meet once a week. They are selected through try-outs at the end of each year. Mr. Richard Macurdy directed the chorus until February 23, 1955, when he was called to the Armed Forces. His replacement was Mrs. Dorothy Sheriff.

The chorus was represented by six students at the District Chorus Music Festival, February 17, 18, 19 at Howard, Penna. These students were Patty Myers, Suzanne Strunk, Janet Yingling, Delmar Baker, Jack Watson, and Eugene Stevens.

A group of nineteen students attended The County Chorus Music Festival at Williamsburg, March 4, and 5. This group was composed of: Carole Myers, Carol Edmiston, Helen Moore, Janet Yingling, Suzanne Strunk, Patty Baker, Norma Bricker, Patty Myers, Marvin Barley, Alton Turnbaugh, Jack Watson, Eugene Stevens, Gary Kaylor, Paul Kurtz, Delmar Baker, Ken Hostler, Gorden Wolfe, and Barry Miller. PROJECTION CLUB

K. HOSTLER, *president*; G. HARPSTER, *secretary*; MR. MYERS, *advisor*.

The Projection Club is a beneficial organization that is in charge of all the schools visual aid equipment. They have been faithful in running all the projectors that are used in our school. There are several qualified projectionists, and these boys have been well trained and many have licenses. There are eight pieces of this equipment which supply the high school as well as the grade schools.

The Projection Club someday hopes to set up two clubs, one made up of boys and the other made up of girls.

The Student Council of Bellwood-Antis High School under the direction of Ray Rossi and Mr. Breslin, the advisor, helped the progress of our school by bringing better understanding and co-operation between the students and the faculty.

The activities of the student council were "slave day" and several round and square dances, sponsored by the student council.

Our council is a member of The National Association of Student Councils. This year we sent two representatives to Abington High School where the Annual Convention was held. Patty McCoy and Wayne Hill represented our school. At this meeting our representatives discussed problems of our school with students from all over the nation to better our school.
